Subject: Rush sequence search for 09998716

Hi Jeff,

Could you please approve the following sequence search for a 2 month amended case due this biweek (not my fault; the sequence is 9,980 bases).

Thanks
Dan

Please search for a nucleic acid comprising *nucleotides 1-1000 and 8980-9980* of SEQ ID NO: 26 in the commercial, pending and issued patent databases.

Thanks

Daniel M. Sullivan
